

Report on Annual Sports Day, 2017-18

“Sound Mind in a Sound Body”

“Health is wealth”

Education is all about all-round development. Co-Curricular activities are a part of Education, aiding in the holistic development of students.

The Annual sports Day of MVJ Pre-University College, Whitefield, was held on 16-12-2017, at the College Sports Ground. The students actively participated in both track and field events.

The programme started with a prayer. After the Welcome Speech by the Principal Mrs. Manjula, the meet was inaugurated by Dr. Gunashekar, Principal of MVJ Engineering College, along with Mrs. Brinda, Vice Principal of MVJ Engineering College. Instead of the customary inauguration, we inaugurated the Meet in a novel way, by doing Ground Puja – watering of a plant. Then the oath of fair play and sportsmanship was taken by I & II PUC class representatives, before the events began.

Mr. Jagadeesh, Physical Education Instructor & Sports Co-ordinator, and Mr. Naveen Bala organised the events to perfection. All the students of I and II PUC actively participated in various events like Volley Ball, Kabaddi, Mini Cricket, and Athletics for boys, and Throw ball, Kabaddi, Kho-Kho and Athletics for girls.

Throughout the programme, the ground was saturated with excitement, and as the names of the winners were declared, the students erupted in joy. All the students participated enthusiastically and exuberantly! Certainly, it was a welcome change from Academics!

The programme came to an end with a vote of thanks given by Mr. Naveen Bala the Sports Co-ordinator.

Then I conducted meeting with my faculty at 5:30pm. We discussed about today's event. Thanks for the permission and facility provided.
