The background of the entire page is a photograph of the MVJ Pre-University College building, a modern multi-story structure with a mix of concrete, wood paneling, and large glass windows. A large, fan-shaped palm tree stands in the courtyard in front of the building. In the bottom right corner, a young woman with glasses and a braid, wearing a school uniform and a lanyard, holds a brochure for the college. The brochure features the MVJ logo and the text 'PRE-UNIVERSITY COLLEGE Igniting Minds for a Bright Future'.

About MVJ Pre-University College

Established in 2014, MVJ Pre-University College is part of the esteemed MVJ Group of Institutions, which is known for its commitment to quality education.

The college is situated in a lush, green, Wi-Fi-enabled campus near Whitefield, Bangalore, and it offers an ideal environment for academic pursuits, away from the city's hustle and bustle yet conveniently accessible.

With a focus on academic excellence and overall personality development, MVJ Pre-University College strives to equip students with the knowledge and skills necessary for success in higher education and beyond.

Dr. M.V. Jayaraman

Founder, MVJ Group of Institutions

Education is the act or process of educating and developing powers of reasoning and judgment, to prepare a person for life and it takes a visionary, someone with unusually keen insight, to truly understand the depth and breadth of what is needed.

Dr. M. V. Jayaraman was teacher-scholar-musician, above all, he was a visionary. He sought to deliver value and excellence in education across disciplines. He founded the Venkatesha Education Society in 1970.

Dr. M. V. Jayaraman first started a Teacher Training College. Today MVJ Group of Institutions imparts a range of skills and knowledge, including in the disciplines of Engineering, Medicine, Management, Teacher Training, Nursing, Primary and Secondary Education.

Principal's Message

Dear Parents,

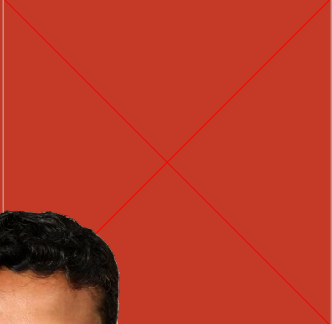

I am very proud to say that the prestigious MVJ Group of Institution was established in the year 1970. There are more than 25,000 students across Engineering, Diploma, Management and Medical Colleges. Today our students have made a name all over the globe and are in excellent economic & social status. I heartily wish them a bright, colorful & wonderful future.

A great visionary, educationist Philanthropist and Founder Late Dr. M.V.Jayaraman, with extraordinary foresight has founded various educational institutions in Bangalore.

MVJ Pre-University College at Whitefield has well qualified, experienced, dedicated and highly committed faculty who give individual attention to each student with their Innovative, modern and scientific methodology with advanced technology. The goal of MVJ Pre-University College is to maintain the highest standard, quality of education giving top priority for academic excellence.

Our objective is to produce intellectual, responsible and mature people.

Our vision is to empower our students with adequate knowledge, skills to secure highest ranks in Board and Competitive Exams.

Education should bring a holistic development of body, mind and soul.

– Principal

Mr. Balakrishna Aliveli
Principal, MVJ PUC
